Day 2 – Ripley's & Arabian Nights

The day kicks off with breakfast before your group heads over to International Drive. Whether you know it or not, I-Drive is the Orlando area's main tourist strip and *the* place to be just about any day of the week. You and the group will have a blast as you visit Magical Midway, home to go-karts, bumper cars, bumper boats, arcade games, and much more. Next, your students will visit Ripley's Believe it or Not Odditorium. On your self-guided tour of the museum be prepared to encounter some uncanny and amazing artifacts from all over the world. Later you'll be given some free time for shopping at Prime Outlets International before visiting Arabian Nights, the most celebrated equestrian dinner show in the world!

Day 3 – Busch Gardens Tampa

If you're looking for thrills, there's more to Florida than just Orlando. Today your group will travel west to play at one of Florida's most beautiful beaches- Clearwater Beach. Here, your students can soak up some morning sun and take in some waves before the main event of the trip. This afternoon your group will visit the only place that has the excitement of Islands of Adventure and the wonder of the Animal Kingdom all rolled in to one: Busch Gardens Africa. This unique theme park is home to some of the best coasters in Florida and a free roaming animal habitat for zebras, giraffes, ostriches and other African wildlife.

Day 4 – SeaWorld Orlando

The last day of your class trip will take you to SeaWorld Orlando. SeaWorld is unlike any other amusement park that you will ever visit. Your students will have an up-close encounter with the world's most breathtaking sea animals and learn more than they can handle about the mysteries of sea life. After your trip to SeaWorld is concluded, your tour director will bring you back to the airport for your return travel home. But don't worry because if you're anything like the millions of tourists who come to Florida each year, you'll be back soon.

FUN FACTS

- When it opened on March of 1959, Busch Gardens Tampa was originally an admission-free hospitality facility for the Tampa Anheuser-Busch brewery on the grounds of the manufacturing plant. Visitors could watch animal acts in a tropical setting and before leaving the grounds to enjoy free drinks of the company's well known product at the nearby beer garden.
- Attention Coaster Enthusiasts!!! Did you know that Busch Gardens Tampa has three coasters (*Montu*, *Kumba*, and *SheiKra*) that were ranked in the Top 25 steel coasters by the prestigious Golden Ticket Awards? That's more than any amusement park in the Southern United States!
- ShieKra* at Busch Gardens Tampa was the first dive machine roller coaster in North America when it opened in May of 2005. the coaster features a 90-degree drop straight down from a height of 200 feet!

- In May of 2008 an 85-pound orangutan named Luna Bella used her opposable thumbs to climb her way up the narrow lip of a 12-foot vertical window sill to the exhibit's roof. The breach forced the evacuation of park guests from the entire area of the park!
- The Palace of Horses where the Arabian Nights dinner spectacular is performed it the world's largest indoor equestrian facility for a permanent show.
